GLORY TO JESUS CHRIST! GLORY TO HIM FOREVER!

Dear Father Zuger,

I would like to express my sincere gratitude again for your new donation of \$ 1,400.00 for our Theological Academy of the Blessed Theodore Romzha. I received your donation on June 22nd and I sincerely renew my gratitude for your continuing help. We appreciate it and we used again the above-mentioned funds to purchase new windows for the Seminary.

I would like to introduce you into the life of our Theological Academy. We are preparing to the 10th anniversary of the transportation of Blessed Theodore Romzha relics. Since 2003 this feast has become a traditional one for the life of the Seminary. This is now one of the biggest eparchial pilgrimages. Following, the summer vacations start. The exams of the new candidates to the seminary will be our first task during these vacations. At the present we have received 30 requests. I ask you for the prayer in order we can do a good choice.

Thank you for your fatherly care.

In prayerful union,

Sincerely yours in Christ,

Petro Pavlo Beresh,
Rector
